

THE PURDUE LANDSCAPE REPORT

Indiana Green Expo

By: Kyle Daniel, daniel38@purdue.edu

The **Indiana Green Expo** is Indiana's largest and most comprehensive Green Industry educational conference and trade show serving Indiana and the Midwest. The 2023 Indiana Green Expo (IGE) is sponsored by the Indiana Nursery & Landscape Association and the Midwest Regional Turf Foundation. Unlike some for-profit trade shows, all proceeds from the IGE are used directly to better our industry through research, educational programming and other supporting functions.

This year Purdue University and industry have worked together to bring you the best line up yet! Our educational programming has something for all facets of the green industry. The trade show features vendors with new products and show specials to make it worth your while. Take your time to visit as many as possible!
